No peddler, solicitor, or transient merchant shall have an exclusive right to any location upon a public street, sidewalk, park, or other public place. No peddler, solicitor, or transient merchant shall be permitted to operate in any congested area where operations might unreasonably impede or inconvenience the public.

**Sec. 23-2. General exceptions.**

The provisions of this chapter shall not apply to any person representing any public or private school, or any youth activities such as but not limited to Girl Scouts, Boy Scouts, church youth

groups, or youth athletic leagues, or any newspaper delivery personnel. Decisions on whether a person should be provided an exception shall reside with the township public safety director or the director's designee. Any decision by the public safety director or the director's designee may be appealed to the township board.

**Sec. 23-3. Definitions.**

**Peddler** means any person traveling from place to place in the township, transporting goods, wares, or merchandise, offering them for sale. A person who solicits orders and, as a separate transaction, makes deliveries to purchasers as a part of a scheme or design to evade the provisions of this chapter shall be deemed a peddler subject to the provisions of this chapter.

It shall be unlawful for a person to engage in the activities of being a peddler, solicitor, or transient merchant within the township without first obtaining a license for those activities in compliance with the provisions of this chapter.

5. The length of time for which the right to do business by the applicant is desired;

6. The place where the goods, wares, or merchandise proposed to be sold or orders taken for sales thereof are manufactured or produced, where they are located at the time the application is filed, and the proposed method of delivery;
7. A photograph of the applicant taken within 60 days immediately prior to the date of filing the application, which picture shall be at least two inches by two inches, showing the head and shoulders of the applicant in a clear and distinguishing manner;

9. A statement of how the applicant intends to travel or otherwise conduct business in the township; and
10. A statement to the effect that if a license is granted, it will not be used or represented in any way as an endorsement by the township or by any township department or officer.

A person seeking a license issued under this chapter shall pay, at the time the application is filed, a fee of \$50.00, or such other amount as is established by resolution of the township board.

**Sec. 23-7. Investigation of an application.**

Upon receipt of an application for a license required by this chapter, the application shall be referred to the public safety director or the director's designee, who shall cause an investigation of the applicant's business responsibility or moral character (as defined and regulated in Public Act No. 381 of 1974; MCL 338.41 et seq.) to be made as the director or the director's designee deems necessary for the protection of the public good. If, as a result of the investigation, the moral character and business responsibility of the applicant are found to be unsatisfactory, and the licensing of the applicant may pose a risk to the health, safety, and welfare of the citizens of the township, the application shall be denied. The public safety director or the director's designee shall endorse on the application the disapproval and the reasons for the same and return the application to the township clerk, who shall notify the applicant that the application is disapproved. The application denial may be appealed to the township board.

**Sec. 23-8. Approval and exhibition of licenses.**

If the moral character and business responsibility of the applicant as regulated by Public Act No. 381 of 1974 (MCL 338.41 et seq.) are found to be satisfactory, and the licensing of the applicant does not appear to pose a risk to the health, safety and welfare of the citizens of the township, the public safety director or the director's designee shall endorse approval on the application. Upon such approval, the township clerk shall, upon payment of the prescribed license fee, deliver to the applicant the license. The license shall contain the signature and seal of the township clerk

The township clerk shall keep a permanent record of all licenses issued and copies on file.

All licensees under this chapter are required to exhibit their licenses at the request of any officer or agent of the township or any person with whom they are transacting or attempting to transact any business.

### **Sec. 23-9. License revocation.**

The notice shall be mailed, postage prepaid, to the licensee at the licensee's last known address at least four days prior to the date set for hearing. The public safety director or the director's designee may suspend a license issued under the provisions of this chapter if the director or the director's designee determines that continued activity would jeopardize the health, safety, or well-being of the public. In any case in which a license is suspended, the hearing shall be held not later than seven calendar days from the date of the suspension. Any revocation or suspension by the public safety director or the director's designee may be appealed to the township board.
